App Sponsorship

Thoughts on adding a new level of sponsorship? \$1500. This new level would allow for the iPhone app to have immediate access to the user base.

I am suggesting the iPhone App for Trek Long Island would say 'Official Trek Long Island iPhone Companion Sponsored by Company X and show a banner on the splash screen briefly before loading.

If a sponsor purchases it, I would like to receive \$250 for the current development and registration fees necessary for have the app listed with Apple.

Let me know what you think.

Thanks

I have an android copy of the iPhone app in progress but it is on a different timeline than the polished iPhone app and is a bit harder to code.

So do you think it would make sense for me to say for the sponsorship that it's for the iphone. But we are also working on the android app and hoping to have it available by the next convention too.

I thought there could be two separate sponsorships in order to maximize your chances of getting two different results—the fundraising goal would be \$1800 for both platforms; \$300 cost to me to maintain and to pay app registration fees necessary to list.

The iPhone app is already live right now (already populated with current announced guests) and I could get an android version for the convention.

I think that's something I have to put in one sponsorship. I think it would be awkward if I didn't.

Fri, Nov 14, 2025 at 6:42 PM

What would be awkward? The percentage of proceedings going to the organization versus contractor for referenced service?

it makes sense to us but i have to figure out a way to explain it to the general public. There will be people who will feel left out if the iPhone app is available but not android. It can get people feeling i am being bias

Both are coming for the convention.

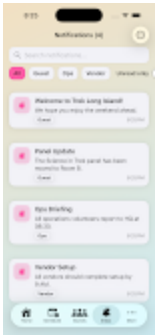

iPhone is already out and Android is a work in progress.

I have attached screenshots of what the iPhone app looks like. I just finished adding Stephanie Czajkowski bio.

Ok awesome. I will add the sponsorships tomorrow :)

Thank you!

My pleasure!

What is nice is that the Schedule within the iPhone app is pulled from the Google Calendar I made for last year so it's very easy to update going forward.

Here is a link to the link to download for guests for iPhones: <https://apps.apple.com/us/app/trek-long-island/id6746576076> if you want to do a facebook post on the availability.

Hello,

As a follow up, the Apple iPhone is finalized and complete. Focus is now on the android app.

I have attached the screenshot of what it looks like for the sponsorship screen as program loads. "Company A" will be replaced by the Corporate Sponsor.

We sold the iphone sponsorship!! The transporter room podcast bought it. I'm getting their information now.

How do you want me to send the \$180 to you for the first sponsorship?

Thank you so much

Stefanie

Thu, Nov 27, 2025 at 1:24 PM

That's awesome!

Happy Thanksgiving.

I can add the Transporter Room Podcast Logo once the payment is made and will immediately share the iOS Apple link.
This link is usable on both iphones and ipads.

You can send it to my paypal: b2brb98@gmail.com

The remaining balance thereafter for the android platform would be: $\$300 - 180 = 120$.

Sent \$300 .

Im hoping after the holidays the android one will sell. Im going to post the purchased sponsorship this weekend when more people are online

Thank you!

Thu, Nov 27, 2025 at 7:02 PM

Received it. Thanks - for this payment and for working on a holiday.

What do you plan to put the increased sponsored funds to, any particular expense?

Just finished adding an tribble and Q Easter Egg.

I have attached a few screenshots of the new Sponsored Screen. It has been submitted to Apple for their 24/48 Hour Review for Distribution. It will automatically update any person who already has it installed on their phone.

The app is complete in all functionality and can be downloaded free from this link: <https://apps.apple.com/us/app/trek-long-island/id6746576076>

The change between the Trek Long Island Logo and the sponsored logo is with a transporter effect, which I hope the sponsor will appreciate.

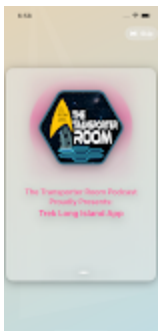

I have attached what it looks like in Light Mode and Dark Mode based on the device. Let me know what you think.

I don't have iphone so ill have my son download it. I look forward to seeing it.

The sponsorship with go towards the hotel price. The hotel costs me about \$63,000.

Thank you also for working on the holiday.

I just took a look. Its awesome. Where does it show the sponsor name?

[Quoted text hidden]

Bryan Carroll <carrollbh@gmail.com>
To: Trek Long Island <treklongisland@gmail.com>

Thu, Nov 27, 2025 at 7:27 PM

It will be included in the next update that is pending for Apple's approval.

I just submitted a new update for Apple to approve to add the Sponsor Name slide. It takes them 24/48 hours to review it, approve it or tell me what they want to have changed.

The update will say general fixes for general performance. Just make certain your son does app updates. I will reply back when I get confirmation.

Do you have a shopify store for merchandise or thoughts of doing a printful for a t-shirt sale?

[Quoted text hidden]

Trek Long Island <treklongisland@gmail.com>
To: Bryan Carroll <carrollbh@gmail.com>

Thu, Nov 27, 2025 at 10:41 PM

My art director creates the shirts and any of the merchandise. That is sold at the store. I haven't created a shop though because i'm not sure where I would do the best. A lot of the shops take so much of a percent, so i'm not sure if it's better. I just mail it myself

With trying to reduce expenses for the Trek LL Org, please use 'PirateShip' or 'ShippingEasy' for heavy discounted postage. Neither of them have monthly fees; you just need to purchase your postage through that website itself, be it Fedex or USPS. The rates are awesome. I use shipping-easy under my RB98, LLC when I sell things on ebay.

Also, should I be considered Staff/Crew of Section 31 for Trek Long Island, now? haha.
