As a paid participant and a vendor, I am acutely aware of this and it is disrespectful for you to say otherwise. Since the collected funds do not serve as a disclaimer for membership or a donation to an exempt organization, sales tax is required and has been reported for intentional misconduct and avoidance to New York State. We will respond to any retaliation.

It is rude for you to dictate what I should or should not worry about.

You will need one. The fact you wont send their info shows you know you would be in big trouble. You have 10 days to comply. If you don't i will sue you and have you arrested.

Haha.

Criminal charges for what being right?

I will sell you my copyright for \$64,847.23.

Otherwise— idle threats don't bother me.
